

Congratulations on your purchase of the exclusive **Prep-Lite Pen** from Extreme Show Supply. The **Show Prep Pen** is lightweight, modular, and folds up for easy transport. The **Prep-Lite Pen** has many uses; from a prep pen at 'show off the trailer' shows to a modular wash rack at home.

Show Prep Pen includes:

- (1) 2-each Bifold Pen Panels
- (2) 2-each pen rods
- (3) 2-each Earth Anchors

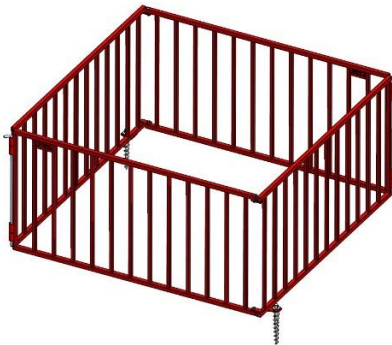

TO USE:

STEP 01: Take both bi-fold panel sections as shown

STEP 02: Unfold both bi-fold sections, with the earth anchor tabs oriented to the outside.

STEP 03: Move pen panels together and secure sections with Pen Rods

STEP 04: Secure Show Prep Pen to the ground, in 2 places, with the supplied earth anchors. Use a 3/4" wrench or ratchet+socket.

STEP 05: Rod shown in place. To enter or exit and animal, simply pull rod and open one of the two 'unanchored' panels
